

Mohd Farizal Farhan Abd Ghafar

Farizal holds a Bachelor of Laws (LLB) degree from the University of Warwick, United Kingdom and the Certificate in Legal Practice. He read law on a Government scholarship.

He has a considerable experience in advising clients in securing their legal and commercial interests and negotiating a wide range of transactions including acquisition exercises, joint ventures, commercial deals, major construction projects as well as energy, oil and gas related matters.

Farizal's expertise as a corporate lawyer specialising in the Projects, Infrastructure and Energy sector is fortified by his experience as an in-house legal counsel for Avocet Mining, Hess Corporation, Petroliam Nasional Berhad (PETRONAS) and PETRONAS Chemicals Group Berhad.
